► Profile

Hi, my name is Fitra Nurakbar.

I'm a passionate web developer with a love for creating beautiful and functional web apps .

I'm always striving to improve my skills and new technologies , with the goal of providing the best solutions for my clients.

I have experience working with various frameworks and languages, including NextJS, Gatsby, and Laravel.

When I'm not coding, I enjoy playing the guitar.

Please take a look at my portfolio to see some of my previous projects, and feel free to contact me if you have any questions or would like to discuss a potential collaboration.
